

FENCING

What to Do

- Use materials such as: wood, wrought iron, garden loop, or masonry.
- Avoid materials such as: chain, link, bamboo, plywood, or vinyl.
- Place fences along established property lines.
- Do not exceed a height of four feet in the front yard and six feet in the rear yard.

...and What Not to Do

LIGHTING

What to Do...

- Retain existing exterior lighting fixtures.
- Replacement fixtures should match the material, style, and scale of the originals.
- Place security lighting as unobtrusively as possible.

...and What Not to Do
